A-LIST

Vita Liberata's unique tanning formula contains no perfume or alcohol, no parabens, and is completely odourless.

It also ensures a perfect 'fade', with no patching, streaking or scaling. The active ingredient, DHA, obtained from organic sugar cane, is enhanced with extracts from silk proteins, pomegranate and seaweed - leaving your skin feeling smoother and softer than ever before. The range includes seven tans and a salon spray tan, available at selected Bloks, Dabsonham and HCF retailers. Try it to find out why, even The Four Seasons Paris has to have the Vita Liberata tan.

Handbag Must-Have!

Celebrity Skin

The secret of A-list skin perfection is out! Loved by celebrities, Sudocrem Skincare Cream in its convenient, chic white 30g tube, is a handbag 'must-have'.

By forming a barrier to keep moisture in and damaging pollutants out, Sudocrem is ideal for spot prone skin, irritations or problem patches common on elbows and knees. It can even be applied to your skin after being out in the sun! Sudocrem is your go anywhere, use anytime skin care essential.

Shine ON

With 7 juicy new shades for summer, the **So Laque Ultra Shine** nail collection from Bourjois is the essential fashion accessory of the summer.

This year it's all about colour. Shades are saturated, drenched with sun and vitamins, vibrant and full of optimism. Block colours are a big hit for summer, led by colourful, chromatic blocks that are bright, bold and full of mischief.

Right on trend is **Bleu Model**, a summery turquoise or for your next party, try **Orange Creation** for a vibrant hit of 100% citrus.

So Laque is enriched with vinyl for an intense lacquer result and powerful shine. Its fixing agent strengthens nails with a supple, ultra-glossy and chip resistant film, lasting for up to 7 days. Shine on with Bourjois!

Bleu Model is BATHING ON TREND!

Summer Sparkle

There's no better way to boost your summer-confidence than with a whiter, radiant smile.

Pola Advanced Tooth Whitening System from SDI is quick, safe and effective offering both in-office and at-home options - ideal for those with busy lives.

Pola Office+ is the world's fastest bleach. Applied by your dental professional, the total treatment will take less than 30 minutes.

Pola Day and **Pola Night** are convenient, take-home solutions prescribed by your dentist. The spearmint flavoured gel, formulated to reduce sensitivity, is applied to custom made trays worn from just 30 minutes a day for 10 days.
